Rail:	1-1/2" x 5-1/2" Classic Curve deco rail	N/A
Pickets:	5/8" x 11-3/8" picket size	N/A
Price:	\$124.48 (8' Section) \$15.56 (Per Foot)	\$99.97 (6' Section) \$16.66 (Per Foot)
Pictures:		

What is Bufftech's vinyl fence products made of?

The base ingredient is rigid PVC (polyvinyl Chloride) modified to provide exceptional impact strength and ultraviolet (UV) resistance. The formulation is similar to that to vinyl siding, which has a history of providing long term durability and structural integrity.

Why is the inside different than the outside?

Bufftech has developed a state of the art co-extrusion process. This allows us to put a higher concentration of UV protection into the outer cap, while providing for excellent impact resistance in the interior substrate material. These layers can not separate.

Is Bufftech' vinyl fence made of Recycled Plastic?

Technically, "recycled" refers to post consumer or post industrial materials coming from the waste stream. PVC can and is being recycled. Bufftech does not use the waste stream as a source. However, we do reprocess our own PVC where it meets our ridged specifications. The use of this reprocessed material keeps it out of the waste stream, positively effecting our environment.

Will it Yellow?

Bufftech products contain 10 parts titanium dioxide (T102), which reduces the likelihood of ultraviolet degradation.

Will your vinyl fencing break in cold/hot weather?

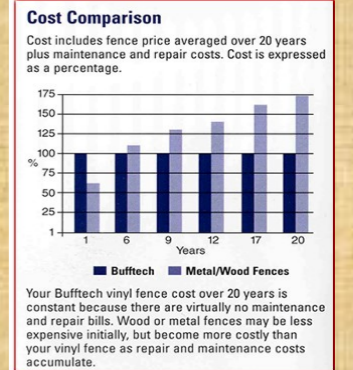

As with most plastics, vinyl will become less flexible in colder weather conditions. However, unless subjected to unusual impact, it will not break. It is normal for materials to expand and contract during temperature changes. Our product has been engineered to accommodate normal temperature swings and changing climatic conditions.

Can I paint Bufftech Vinyl Fence?

There should be no reason to paint your Bufftech fence. If you decide to paint it, an epoxy-based paint needs to be used in order to adhere to the smooth vinyl surfaces. As with any painted product, it would have to be repainted in time. Any painting of your Bufftech product voids Bufftech written warranty.

What is the Warranty on the vinyl fence and what does it cover?

Bufftech warrants all of its manufactured vinyl fence products against manufacturing defects for the lifetime of the original purchaser. Refer to the Warranty document for specific details.

*ColorLast™ provides superior protection from the harsh rays of the sun and the effects of weathering, resulting in richer, longer-lasting color that will retain its vibrant hue for years to come.

**WindZone™ performance - Miami-Dade County approved NOA #06-1019.01 for exceptional performance in high wind conditions
