MODERN FENCE COMPANY
5801 S. 29th St.
Fort Smith, AR 72908

Licensed + Insured // River Valley's Best

ABOUT US

For over 75 years, Modern Fence Company has provided dependable fencing and perimeter security solutions across Western Arkansas and Eastern Oklahoma.

From residential backyards to commercial sites and large-scale government projects, our team delivers durable, cost-effective fencing built around each property's needs.

OUR DIVISIONS

Modern Fence Company

Full-service fencing contractor specializing in wood, chain link, ornamental iron, PVC fencing, dog kennels, and custom gate systems.

Modern Metal Fabrication

Custom fabrication of architectural steel, aluminum, and stainless steel, including handrails, stair systems, and specialty structures—engineered for both function and design.

Modern Access Control

Advanced access control solutions for vehicle and pedestrian entry, including automated gate operators, telephone entry systems, card access, and non-monitored security systems.

LICENSE & INSURANCE

INSTALLATIONS, WE HANDLE IT ALL.**

***“MODERN REALLY OUTDID
THEMSELVES ON THIS PROJECT.”***

They all had great suggestions, information, and offered high-quality products, including stain. During the process, they went above and beyond to improve our experience. Above all, they were patient as we tweaked some features, and everyone had such great personalities! New fence, new friends, highly recommend!

Dawn Bull

Bruce Shaw

Modern Fence came through for me, meeting all my specifications & expectations. On budget & on schedule. leaving me with a beautiful fence. I highly recommend this company for your fencing needs.
